

NOXYDE®

MAXIMUM METAL PROTECTION MINIMUM PROJECT COSTS

NOXYDE® protects the Golden Gate bridge

MAXIMUM METAL PROTECTION

PROVIDES 15 YEARS OF CORROSION PROTECTION, EVEN IN SEVERE CONDITIONS

- **Best corrosion protection according to ISO 12944**
- **NOXYDE® is 200% elastic and doesn't crack or peel when metal shrinks or expands**
- **Excellent coverage of nuts, bolts and welds**
- **Impact resistant**
- **Prevents filiform corrosion**

NOXYDE® can be applied on: Steel, iron, copper, aluminum, Plastisol®, zinc, lead, galvanised metal and PVDF (with special primer)

Hard coatings give less edge protection

Epoxy or Polyurethane

NOXYDE® is elastic and covers entire surface

NOXYDE®

Excellent edge coverage

Protection in highly corrosive environments

Independent research by the Coatings Research Institute has proven that NOXYDE® is the absolute TOP in corrosion protection.

NOXYDE® is approved for corrosion class C5-M with a life expectancy of over 15 years, as described in the international standard ISO 12944.

NOXYDE® PEGANOX

OPTIMISED FOR BRUSH AND ROLLER

project has different requirements

- Approved for corrosion class C5-M high (ISO 12944)
- Excellent waterproofing for metal roofs
- Water-based coating
- Does not crack or peel
- 10 Years product guarantee*

For metal cladding, metal roofs, bridges, silos, electrical isolation and more

Metal Cladding

- Solvent-based product for lower temperatures
- Similar protection to NOXYDE®
- Apply on slightly moist surfaces
- Approved for corrosion class C5-M medium (ISO 12944)
- 7 Years product guarantee*

For metal cladding, pipe lines, bridges, metal constructions, electricity posts and more

Metal roof

- Best flow of the 3 products, aesthetic finish
- Thinner coating gives lower price per m²
- Water-based coating
- When spray-application is not possible
- 5 Years product guarantee*

For metal cladding, pipe lines, railings, containers and more

Apartment building

* All guarantees are subject to approval by our Rust-Oleum technical service

MORE THAN PAINT:

RUST-OLEUM® does not just supply paints and coatings, but likes to support you in other areas. We offer free technical advice and the following services.

Free online datasheets

Free technical support
by telephone or e-mail

Free written
specification service

Free special colour service
